ABOUT OUR SHOW...

After rockstar Dewey Finn was kicked out of a rock band, he introduces himself with the name of his best friend, Ned Schneebly, as a substitute teacher at Horace Green School, to be able to pay for the rent Ned and Patty, his girlfriend, are demanding. Miss Mullins, the headmistress, does not notice this and Dewey starts teaching, though he knows absolutely nothing about the school system, subjects and education.

Dewey learns that his students know how to play musical instruments and starts creating a school rock band to participate in the Battle of the Bands.

What will the other teachers and parents think about this?

Will he be discovered?

What will everyone learn through this experience?

SOBRE NUESTRO ESPECTÁCULO...

Luego de ser expulsado de su banda, el rockstar Dewey Finn, impulsado por la presión económica, se hace pasar por su mejor amigo, Ned Schneebly, para tomar un trabajo como profesor sustituto en la escuela Horace Green. De esta manera resolvería pagar el alquiler a Ned y a su insistente novia Patty. La directora, Ms. Mullins, no se da cuenta, y Dewey comienza a enseñar, a pesar de no saber nada sobre el sistema escolar, las materias y la educación.

Dewey se entera que sus alumnos saben tocar instrumentos y comienza a crear una banda de rock para poder participar en la Batalla de las Bandas.

¿Qué opinarán los demás profesores y los padres sobre esto?

¿Será Dewey descubierto?

¿Qué aprenderán todos sobre esta experiencia?
